

## FIXTURES 2011-2012

For most home games pitches have already been arranged. We have tried to be fair, but with pitch time in Cambridge at a premium and no astro of our own, some teams will need to play at less attractive times. We have tried to balance this with the distance travelled by the opposition.

For directions to pitches see the website, the back of the fixture card or ask your captain. For more information please refer to the East League website. [www.east-hockey.co.uk](http://www.east-hockey.co.uk)
